How do you plan on sharing this knowledge with other staff and volunteers within your organization, and using your new knowledge to strengthen your organization?

How did this conference or workshop help strengthen your organization as a partner site in Freedom's Frontier National Heritage Area?

How would you like to share this new information and experience with other FFNHA partners? This could include but is not limited to the following: writing an article for the Monday minute, creating a presentation for a partners meeting or to be posted online, working with FFNHA staff in facilitating a training course, offering to mentor partners interested in your new skill/knowledge, or other method if approved by FFNHA staff. This must be complete within 6 months of close of conference.
