

Museums Build Community through Dementia-Inclusive and Caregiver-Friendly Programs

**Museums store memories.
They are the ideal places for welcoming people with memory loss.**

What role can museums play in engaging persons with memory loss and their caregivers? How can museum programming be modified through awareness, understanding and sensitivity to the needs and interests of persons living with Alzheimer's and their caregivers? What is the potential impact for dementia-inclusive programming to extend meaningful community outreach?

What: Educational and Experiential Workshop

Where: Shawnee Town 1929 Museum, Town Hall, 11600 Johnson Drive, Shawnee, KS 66203

When: October 24, 2017 - 8:30am – 3:30pm

Who should plan to attend? Museum Directors, Staff and Volunteers

Workshop is FREE. Lunch will be provided for \$5.

Presenters include professionals in health and wellness, leaders in the field of creative aging, specialists who work with caregivers and persons living with Alzheimer's, and creative arts therapists.

Professional affiliations: Arts & AGEing KC, Heart of America Chapter Alzheimer's Association, University of Kansas Alzheimer's Disease Center, Soundscapes Music Therapy, The Golden Experience Drama Therapy, Professional Storytellers, Authors, Dementia Advocates, AAKC Visual Arts Studio, Prairie Elder Care.
